IdEEEas - 2K23

WHAT IS WEBIFY?

This event provides a really good opportunity for all the web development enthusiasts and brings out the skills in web development of a contestant in addition to testing one's teamwork abilities.

THE FLOW!!

Webify is a group event which should have 2 participants in a team.
The event comprises of 2 rounds. In the first round, we will test your basic understanding of web development skills and nominate the top performed teams to the next round. In the 2nd round, we
will test advanced concepts of web development and declare the winner based on the overall performance of the team.

IdEEEas - 2K23

ROUND 1 : JUMBELTRON

- Each team will be provided with a series of jumbled components of a website.
- The teams have to reassemble the components of the website. Duration of the round is 30 minutes.
- The top performing teams will be nominated to the next round.

ROUND 2 : WEBRELAY

Snapshots of the website components will be provided for each team and the teams to have build the web page in the duration of 1 hour according to the underlying timeline:

1. 10mins discussion time prior to the coding for the team to plan.
2. First phase comprises of 30mins wherein both the team members will get 15mins each to code individually.
3. 5mins discussion time after the first phase.
4. Second phase comprises of 20 mins wherein both the team members will get 10mins each to code individually.
5. Final phase comprises of 10mins wherein both the team members can code together to complete the given tasks to build the webpage.

Evaluation Criteria

Jumbletron:

The teams which will rearrange the website in the least amount of time will be qualified to the next round.

WebRelay:

The team that makes the most number of components wins.
In case of a tie, there will be a tie Breaker round whose rules would revealed on the spot.

Guidelines

- Internet connection will be disabled.
- Malpractices are condemned and if found any, the team will be immediately disqualified.
- Judges decision will remain final.

Eligibility:

Open to all branches of all the years.
Exactly two in a team.
